Synopsis [edit]

The series is set at a high school located on a cruise ship (equivalent to the real Semester at Sea program), allowing the episodes to be set in different exotic locations, although the series was, in fact, filmed entirely in Burnaby, British Columbia. Like most series of its kind, it featured events such as dating, finances, and friendship, although as a daytime series, it tended to steer away from the "tougher" situations (pregnancy, sexuality, etc.) outlined in other primetime teen dramas at the time.

Cast and characters [edit]

The cast consisted primarily of eight high school kids, with a few additional actors portraying adult characters.
